CLASS ACTION

**[PROPOSED] FINAL ORDER ON THE
STIPULATION OF SETTLEMENT**

Assigned for All Purposes to
Judge Daniel J. Buckley
Department SS 001

1 Plaintiff Theresa Alexandria and The Regents of the University of California (“The
2 Regents” or “Defendant”) (collectively, “Settling Parties”), for the benefit of The Regents and
3 all of the Released Parties, have entered into a Stipulation of Settlement (“Stipulation”) dated
4 October 23, 2018 and all exhibits thereto;

5 On February 21, 2019, the Court entered an Order of Preliminary Approval
6 (“Preliminary Approval Order”) that, among other things, (a) preliminarily certified, pursuant
7 to California Code of Civil Procedure Section 382, a class for purposes of settlement only;
8 (b) appointed named Plaintiff Theresa Alexandria as Class Representative for settlement
9 purposes; (c) appointed Plaintiffs’ Lead Counsel Jeff Westerman of Westerman Law Corp. as
10 Settlement Class Counsel; (d) preliminarily found that the Settlement is fair, reasonable,
11 adequate and the product of investigation, litigation and arm’s-length negotiation; (e) appointed
12 Epiq Class Action & Claims Solutions, Inc., the Claims Administrator selected and agreed upon
13 by the Settling Parties, to provide notice to the Settlement Class; (f) approved the claims, opt
14 out, and objection procedures provided in the Stipulation; and (g) scheduled a Final Approval
15 Hearing on or about June 18, 2019, in Department SS 001 of the Los Angeles County Superior
16 Court;

17 The notice to the Settlement Class ordered by the Court in its Preliminary Approval
18 Order has been provided, as attested to in the declaration of Cameron Azari, Esq., filed with the
19 Court on May 6, 2019;

20 A hearing was held on whether the settlement set forth in the Stipulation was fair,
21 reasonable, adequate, and in the best interests of the Settlement Class, such hearing date being
22 due and the appropriate number of days after such notice to the Settlement Class;

23 The Court duly considered the application for final approval of the Stipulation, Class
24 Counsel’s application for attorneys’ fees and reimbursement of expenses, and the request for
25 plaintiff incentive awards; and

26 The Court has considered the Stipulation and exhibits thereto, the submissions of the
27 Parties, the record in the Action, the evidence presented, and the arguments presented by
28 counsel, and any objections by members of the Settlement Class. Good cause appearing,

1 IT IS HEREBY ORDERED AND DECREED AS FOLLOWS:

2 1. The Court, for purposes of this Order on the Stipulation of Settlement (“Order”),
3 adopts and incorporates the terms and conditions set forth in the Stipulation executed by the
4 Parties on February 7, 2019. Throughout this Order, the capitalized words are given the same
5 meaning ascribed in the Stipulation.

6 2. The Parties to this Settlement are Plaintiff Theresa Alexandria, on behalf of
7 herself and each of the Settlement Class Members, and Defendant The Regents of the University
8 of California (“The Regents”). This Court has jurisdiction over the subject matter of this
9 litigation and over all Parties to the Action and members of the Settlement Class who did not
10 timely exclude themselves from the Settlement Class. The Settlement Class means all persons
11 whose personally identifiable information or protected health information (PII/PHI) was stored
12 on the portions of the UCLA Health Network that were, or could have been, accessed by the
13 cyberattackers during the Incident announced in July 2015, including all persons to whom mail
14 notice was provided regarding the Incident. Excluded from the Settlement Class are: (i) the
15 members of the Board of Regents, the Officers of The Regents, and members of The Regents’
16 Office of General Counsel with responsibility for the Consolidated Actions, (ii) outside counsel
17 retained by The Regents in connection with the Consolidated Actions, (iii) any judicial officer
18 to whom the Action is assigned, and (iv) any individual who timely and validly opted out from
19 the Settlement Class. All Settlement Class Members are bound by this Order and the terms of
20 the Stipulation.

21 3. This Court now finds and concludes that:

- 22 (a) the members of the Settlement Class are so numerous that joinder of all
23 Settlement Class Members in the Action is impracticable;
- 24 (b) the class has been objectively defined and can and has been ascertained
25 from UCLA Health’s records for the class period;
- 26 (c) there are questions of law and fact common to the Settlement Class
27 which, as to the Settlement and related matters, predominate over any
28 individual questions;

- (d) the claims of the Plaintiff are typical of the claims of the Settlement Class Members;
- (e) Plaintiff and Class Counsel can and have fairly and adequately represented and protected the interests of the Settlement Class Members; and
- (f) a class action is superior to other available methods for the fair and efficient adjudication of the controversy considering: (1) the interests of the Settlement Class Members in individually controlling the prosecution of separate actions; (2) the extent and nature of any litigation concerning the controversy already commenced by the Settlement Class Members; (3) the desirability or undesirability of concentrating the litigation of these claims in this particular forum; and (4) the difficulties likely to be encountered in the management of this class action.

4. The Court finds that the notice to the Settlement Class pursuant to the Preliminary Approval Order was appropriate, adequate, and sufficient, and constituted the best notice practicable under the circumstances to all Persons within the definition of the Settlement Class to apprise interested parties of the pendency of the Action, the nature of the claims, the definition of the Settlement Class, and the opportunity to exclude themselves from the Settlement Class or present objections to the settlement. The notice fully complied with the requirements of due process of all applicable statutes and laws and with the California Rules of Court.

5. The Court finds that Members of the Settlement Class were given the opportunity to exclude themselves from the Settlement Class, and fifty-four individuals did so in a timely fashion, and 3 discussed at the hearing did so late, and all those requests for exclusion are hereby permitted. The Claims Administrator shall maintain a list of all individuals who excluded themselves from the Settlement Class. Any other individuals who submit exclusion requests that are either untimely or not adequately completed, as reflected on the papers maintained by the Claims Administrator are not excluded from the Class. They are Class members and are bound by the terms of the Stipulation and this Order.

1 6. The Court hereby adopts and approves the Stipulation, and finds that it is in all
2 respects fair, reasonable, adequate, just and in compliance with all applicable requirements of
3 the California Code of Civil Procedure and the California Civil Code, the United States
4 Constitution (including the Due Process Clause), and all other applicable laws, and in the best
5 interests of the Parties and the Settlement Class. Accordingly, the Court directs the Parties and
6 their counsel to implement and consummate this Settlement in accordance with the terms and
7 conditions of the Stipulation.

8 7. The terms of the Stipulation, including all exhibits to the Stipulation and to this
9 Order, shall be forever binding on the Settlement Class and the Parties.

10 8. Plaintiffs and every Settlement Class Member, for themselves and their
11 respective beneficiaries, executors, conservators, personal representatives, wards, heirs,
12 predecessors, successors, current and former employees, officers, agents, directors, attorneys,
13 administrators, legal representatives, conservators, assigns, affiliates, and with respect to
14 minors, parents and guardians, shall be deemed to have, and by operation of the Order shall
15 have, fully, finally and forever released, relinquished and discharged all Released Claims against
16 the Released Parties. On the Effective Date, each of the Consolidated Actions listed in the
17 caption, except for this Action, is dismissed with prejudice. A copy of this Order is to be entered
18 by the clerk in each of the above listed Consolidated Actions.

19 9. Neither the Stipulation, this Order, any papers related to the Stipulation, nor the
20 fact of settlement shall be used as a finding or conclusion of the Court, or an admission by
21 Defendant, of any fault, wrongdoing, or liability whatsoever.

22 ///

23 10. Settlement Class Counsel have applied for an award of attorneys' fees and out-
24 of-pocket litigation expenses in the total amount of \$3,275,000 for fees and \$122,913.75 in
25 expenses, to be paid by The Regents in accordance with the terms set forth in the Stipulation.
26 The Court finds that attorneys' fees in the amount of \$3,275,000 and expenses in the amount
27 of \$117,750 are reasonable and were reasonably incurred in the course of the litigation.

1 Plaintiffs' Counsel are entitled to payment of these fees and expenses in the manner set forth in
2 the Stipulation. Settlement Class Counsel will distribute and allocate the attorneys' fees and
3 expenses awarded to Plaintiffs' Counsel. Plaintiff has also applied for the payment of a service
4 award for Plaintiff and class representative Theresa Alexandria in the amount of \$1,500.00 and
5 for each of the other named Plaintiffs in the Consolidated Actions in the amount of \$750.00.
6 The Court finds these service awards reasonable and directs that they be paid to the Settlement
7 Administrator for distribution according to the Stipulation and this Order.

8 11. Defendant shall have no liability or responsibility for any payments, fees, or costs
9 under this Order except as provided in the Stipulation of Settlement.

10 12. Without affecting the finality of this Order in any way, this Court shall retain
11 continuing jurisdiction over: (a) enforcement of the terms of this Order and implementation of
12 this Settlement and any award or distribution to the Settlement Class Members, including any
13 dispute regarding an individual's entitlement to receive a settlement benefit or its amount; and
14 (b) all Parties for the purpose of enforcing and administering the Stipulation, pursuant to
15 California Code of Civil Procedure § 664.6 or otherwise.

16 13. A separate judgment shall issue adopting the terms of this Order and directing
17 the Clerk of Court to dismiss this action accordingly.

18 *14. Counsel will provide reports every six months, commencing*
IT IS SO ORDERED! January 15, 2020.
